Terms and Conditions Inspection Services: -

Scope of Work

- The client is required to provide a clear scope of work to ECI
- The validity of the inspection will be determined based on the site requirements (3 months, 6 months, or 12 months)
- A maximum of 5 equipment's items or 80 lifting gears can be covered per day. Any deviation, whether more or less, will be based on mutual agreement between the client and ECI
- ECI will provide the necessary equipment (Vernier Calipers, Measuring Meters) for the inspection services. Additionally, for NDT, ECI will supply consumables and black ink.

==========

- If the client requires a pad eye tester, load cells, or special tags, these must be requested prior to the inspection. The use of such special equipment will incur an additional charge

Client's Responsibility

- The client must confirm the exact location with the coordinator/inspector prior to crew mobilization.
- The client must ensure that a qualified operator is available at the location to operate the equipment.
- **Safety and Compliance**
- The client must arrange the necessary facilities with appropriate safety measures to facilitate a proper inspection.
- PPE, H2S, and other personnel safety equipment will be provided by ECI to the inspectors.
- The client must arrange gate passes and entry permits for personnel and vehicles as per site requirements.
- The equipment must be clean, and the serial or chassis numbers must be visible to ensure proper documentation.

Certificate of Conformity (COC) / Supporting Documents

- The client must provide a valid Certificate of Conformity (COC) for the equipment prior to the inspection.
- Failure to provide the COC will result in the equipment being deemed non-compliant, and the inspection will not proceed.
- If the equipment needs to be proof load tested and if it comes under Saudi Aramco G.I 7.030 then it is client responsible to get the Saudi Aramco CRM approval letter / CSD drawing approvals based on the Saudi Aramco Requirements
- Client must provide proper approved drawings for the equipment with mentioned SWL in order to avoid any overloading and certifications.
- If client fail to provide the proper supportive documents requested by ECI, it will consider as the equipment is rejected and it will be chargeable.

Payment Terms

- Payment must be made prior to the inspection, either by cash or online transfer.
- If client have the mutual agreement or credit terms approved by ECI, then approved purchase order is accepted, and the credit terms must be mentioned in the purchase order.
- If the quantity exceeds at the time of inspection, then client need to issue or amend the purchase order.
- Inspection certificates will not be released until full payment or fully approved purchased order is received.
- If the working site is more than 100 kms from our base (Rastanura) then travelling charges will be applicable for round trip.
- If the working site is more than 400 km from our base than it is client responsible to arrange proper accommodation and food for the inspection crew.
- The full inspection fee, including VAT, is payable regardless of whether the equipment passes or fails the inspection.
- If any outstanding payments are not cleared, upcoming jobs will be put on hold until the previous dues are settled.

Scheduling

- Inspectors will only be scheduled upon receipt of the signed quotation and purchase order.
- Client needs to confirm the inspection date prior to 04 days in order to avoid the delay.
- Any rescheduling requests must be communicated at least **[e.g., 48 hours]** in advance.

Liability

- We will maintain your details and documents confidentially, however if the law or any authorized government agency will ask the details in case of emergency or incident happened, then we may provide details without your concern. This is mutually agreed by us.

Force Majeure

==========

- The company is not liable for delays or non-performance due to circumstances beyond its control, such as natural disasters, strikes, or governmental restrictions.

Validity

- This quotation and its terms are valid for 90 days from the date of issue.

Disputes

- Any disputes arising from the services will be addressed amicably. If unresolved, they will be subject to the jurisdiction of the courts.
